Make sure you cut out the little blue corners so you can tie Santa's hands!

Be sure to cut along the this red line!

1

At first, please cut out Santa's Body and fold along the dotted lines, glue it together and fold the arms and glue them as well.

Third Step is the special Xmas Gift that Good Ol' Santa will bring ... you know what to do go for it ...

2

Second Step would be to assemble Santa's final Head, so cut it out, fold and glue.
